## A NETWORK OF COMMUNITY MEMBERS WHO CARE

United by their desire to help homeless women and children, Friends of Lake County Haven (FO) is a group of community members who want to make a difference for those who are homeless in Lake County.

Friends of Lake County Haven is looking for civic-minded community members who are eager to volunteer their time, assist with philanthropic initiatives, and continue to build strong ties between Lake County Haven and our local community.

## WHAT'S THE COMMITMENT?

You can choose from a variety of levels of commitment within FO, and there are many ways to become a member no matter what your schedule might be. Becoming a Friend means that you are a supporter of our mission and programs.

We encourage you to attend our monthly group volunteer activities, but it is not required. We realize that everyone's ability to give time is limited, and we are thrilled to have our members involved at any level that is feasible with their schedule.

## LEADERSHIP COUNCIL

Are you interested in serving in a larger, more dedicated capacity? We are seeking dynamic volunteers to help with our special events and assist in raising the money needed to provide shelter and support to homeless women and children. Contact our Volunteer & Events Coordinator at [847-680-1870](tel:847-680-1870) to inquire about our Leadership Council.
